

zu erfolgen. Nach den eingelangten Berichten ergibt sich nun ein erster approximativer Bedarf von je 1800 Tabellen & 9000 Taschenbüchlein. Von drei Kantonen steht die bezügliche Mitteilung noch aus. Die Herstellungskosten werden von dem graph. Institut Photochromie Bern A.G. ,welchem wir die Ausführung der Entwürfe übertragen haben, wie folgt devisiert :

Velo-Tabellen

Auflage :	1000	St. 6	farbig	photomech.	p. St.	0.90.	Fr.	900.-
	5000	"	"	"	"	"	"	2500.-
	10000	"	"	"	"	"	"	3500.-

Autos , Motorfahräder :

Auflage :	1000	St. 4	farbig	"	"	"	60	"	600.-
	5000	"	"	"	"	"	35	"	1750.-
	10000	"	"	"	"	"	30	"	3000.-

Taschenbüchlein :

Auflage :	10000	"	6	farbig	"	"	"	10	"	1000.-
	25000	"	"	"	"	"	"	7	"	1750.-
	50000	"	"	"	"	"	"	5	"	2500.-

Nach diesen Ansätzen ergibt sich für die erstnotwendige Auflage eine Ausgabe von Fr. 2530. Da indessen baldige Nachbestellungen ^{als} ziemlich sicher vorausgesetzt werden können & zudem auch noch andere Ausgaben - wie Sitzungsgelder für Konferenzen , Kosten für diverse Druckarbeit (Protokolle, Zirkulare etc.)- für das Automobilwesen zu erwarten sind, dürfte es angezeigt sein, den hiezu notwendigen Kredit gleich auf Fr. 6000 festzusetzen.

Wir beehren uns deshalb Jhnen zu beantragen :

1. Es sei das Departement des Innern zu ermächtigen, dem von der IV. Konferenz der Kantone des Automobil-& Velokonkordates geäußerten Wunsche , für Erstellung einer bunten Tafel, auf welcher die Velschilder sämtlicher Kantone wiedergegeben sind, durch Abgabe der vorstehend erwähnten Tabellen & Taschenbüchlein zu entsprechen.

2. Für die daherigen Kosten , sowie für die weiter notwendig werdenden Ausgaben betr. das Automobilwesen , wird ein Kredit von Fr. 6000 bewilligt einzustellen in das Budget pro 1909.

An Departement des Innern z.V.

An Finanzdepartement z.K.

Eidg. Departement des Innern.

12

The first part of the report is devoted to a general
 description of the country and its resources. It
 is followed by a detailed account of the
 various industries and occupations of the
 people. The third part of the report
 contains a list of the principal towns and
 villages, with a description of their
 situation and extent. The fourth part
 of the report is a list of the principal
 rivers and streams, with a description of
 their course and extent. The fifth part
 of the report is a list of the principal
 mountains and hills, with a description of
 their height and extent. The sixth part
 of the report is a list of the principal
 lakes and ponds, with a description of
 their size and extent. The seventh part
 of the report is a list of the principal
 forests, with a description of their
 extent and the kinds of trees which
 grow in them. The eighth part of the
 report is a list of the principal
 minerals, with a description of their
 location and extent. The ninth part of
 the report is a list of the principal
 animals, with a description of their
 habits and uses. The tenth part of
 the report is a list of the principal
 plants, with a description of their
 uses and properties.

The report is divided into ten parts, each
 of which is devoted to a different
 subject. The first part is a general
 description of the country and its
 resources. The second part is a
 detailed account of the various
 industries and occupations of the
 people. The third part is a list of
 the principal towns and villages, with
 a description of their situation and
 extent. The fourth part is a list of
 the principal rivers and streams, with
 a description of their course and
 extent. The fifth part is a list of
 the principal mountains and hills, with
 a description of their height and
 extent. The sixth part is a list of
 the principal lakes and ponds, with
 a description of their size and
 extent. The seventh part is a list of
 the principal forests, with a
 description of their extent and the
 kinds of trees which grow in them.
 The eighth part is a list of the
 principal minerals, with a
 description of their location and
 extent. The ninth part is a list of
 the principal animals, with a
 description of their habits and
 uses. The tenth part is a list of
 the principal plants, with a
 description of their uses and
 properties.
